Re: FCC ID: Y75WINTLAW

To Whom It May Concern:

The following application is submitted on behalf of our client, BAE Systems, for evaluation of their model R3T-S-700 for certification under FCC Part 15.247.

The R3T-S-700 is an 802.16 wideband transceiver system consisting of an indoor unit (IDU) and outdoor unit (ODU). The R3T-S-700 system was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
